Disclaimer: While The Everett Clinic strives to give you accurate information regarding prices and estimated costs, several factors may affect pricing, including, but not limited to: (1) Time of selection: Prices are subject to change at any time. (2) Additional expenses: Beyond what's defined, some laboratory and professional fees, such as physician, radiologist, anesthesiologist and pathologist, may not be included in this estimate. (3) Additional services: Your health condition may require additional time with the same practitioner, specialist or a different condition than scheduled.
